

Three Steps to Your Dream Home

When you have chosen the house you want, turn your dreams into reality by taking advantage of our Premier Home Mover Options.

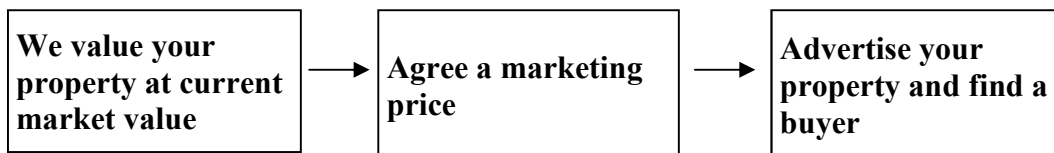

Option 1 - Part Exchange

Want a new home without the hassle of selling? We may be able to part exchange your property.

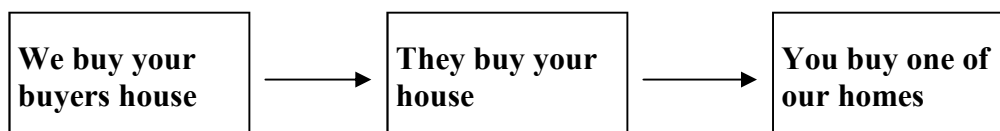

Option 2 - We Sell Yours

Want to move into your dream home without costly estate agents fees? We can sell your property free of charge if you buy one of our properties.

Option 3 - Chain Breaker

Struggling to sell your property because your buyer can't sell theirs? We can free up the chain if your property is under offer by someone who has to sell their own property first. We can buy theirs so you can buy ours.

Our Home Mover Options are available on selected homes with no other special offers and are subject to suitability. Premier Home Sales reserve the right to refuse any of these options.
